FICTION

High Tea with Ophelia *Eleanor Tremayne*

Five well known literary characters walk out of the pages of their novels and plays and into the streets of St. Augustine, Florida. Award winning Eleanor Tremayne has once again offered her readers a real adventure that they can all relate to. When Sabriel Shelley's husband passes away unexpectedly, she finds herself purchasing a very unique book store in the ancient city, St. Augustine, Florida. This is where five characters from well-known plays and novels step out of their pages to help Sabriel adjust to a new life. Readers have the opportunity to stroll the streets of the oldest city in America and enjoy sharing that experience with, Ophelia (Hamlet), Holly Golightly (Breakfast at Tiffany's), Scarlett OHara, (Gone with the Wind), Gabriella Girard (Destiny Revisited), and Daisy Buchanan (The Great Gatsby).

Author profile:

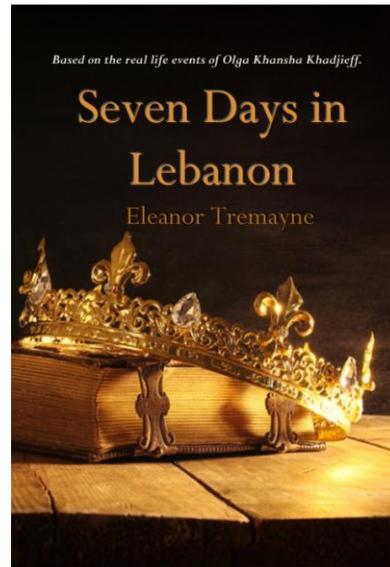

Award winning author Eleanor Tremayne recently released her fifth novel, High Tea with Ophelia. When five famous literary characters walk out of the pages of their plays and novels into the streets of St. Augustine, Florida life changes for everyone that they meet, especially Sabriel Shelley the new owner of an evolutionary new book store, known as CARCOSA.

Eleanor Tremayne's sumptuous historical fantasy novel is much like her similar work, rich in detail, story, and intrigue Another must-read by the author. Dares to enthrall. ★★★★★ - Explore Authors Magazine

The Niche: *Twin Flame Mysteries* Adah F. Kennon

You reap what you sow. Detectives Patterson and Riley were on a mission. A crime had been committed and they were going to charge someone with Murder One. Little Sheila had answers they were looking for. She would take off her mask and tell the truth in her own way, when the time was right. She didn't care what they thought of her, but the men in her life-now that was a different story. Malik was his own best commercial. He would possess her to satisfy his selfish desires and lustful gratification. Thomas was his own worst enemy. He would use her good name, make her the object of his obsession, but lose himself in the process. Then there was Jerry, who offered her a "higher love", honest, and unconditional...the kind of love she deserved and was now ready to appreciate. Which one was her "true" twin flame? All questions would be answered in the most unlikely place possible - in the columbarium...by the niche.

Wisdom of the Ages

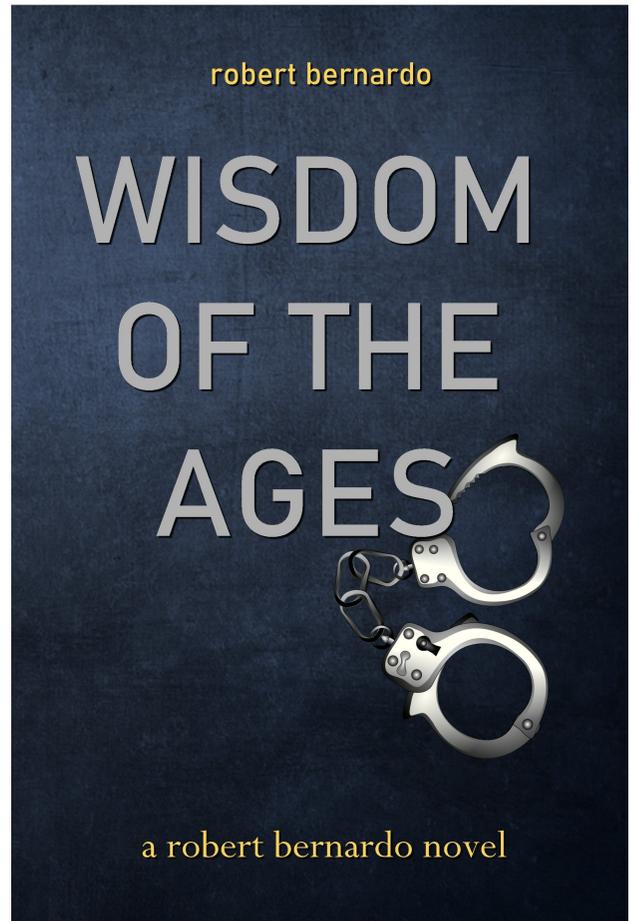

Robert Bernardo

*"Wisdom of the Ages by Robert Bernardo is a delightful weaving of suspense, mystery, humor, and fantasy."
- Vincent Dublado, Readers' Favorite*

Wisdom of the Ages by Robert Bernardo - Johnny's sudden return after eleven years is as mysterious as his disappearance in this engrossing mystery-suspense. Robert Bernardo's outrageously funny horror story is every bit as thrilling as it is suspenseful. Wisdom of the Ages will captivate readers as the mystery unfolds in this taunt, surreal read.

A humorous and mysterious read. Time well spent!

Scots Honor

K. M. Hardy

We just love, *Scot's Honor: A Sam McKay Novel*.

This book is an edge-of-your-seat page heart - pounding romantic thriller and the first release in the Sam McKay series by K.M. Hardy. We heartily recommend this engrossing new book in the detective series.

Sampson Angus McKay's life has completely fallen apart: the important Brian Cairne is killed on his watch during a hostage situation, his wife has served him divorce papers, and he has been deported back to Scotland. Now, trying to make the most of his unexpected situation, he meets a mysterious American woman, Liz, who has curiosity, and his cop instincts, completely enthralled. Liz Harper isn't looking to make a connection with anyone, but the tall and brooding Sam has turned her plans upside down when he takes it upon himself to protect her as she navigates her new life in Scotland. Back in the states, Sam's faithful team uncovers a discrepancy involving Brian Cairne's murder and set out to clear their former boss' reputation. Very quickly, the enterprise proves to be more than they expected. Suspenseful and romantic, *Scots Honor* will have you on the edge of your seat as you follow Sam through his story of trials and twists.

"The novel has everything; a bank holdup, a pedophile, several fights, a divorce, a child falling foul of the law, previously unknown familial relationships, and drug running."

ROMANCE

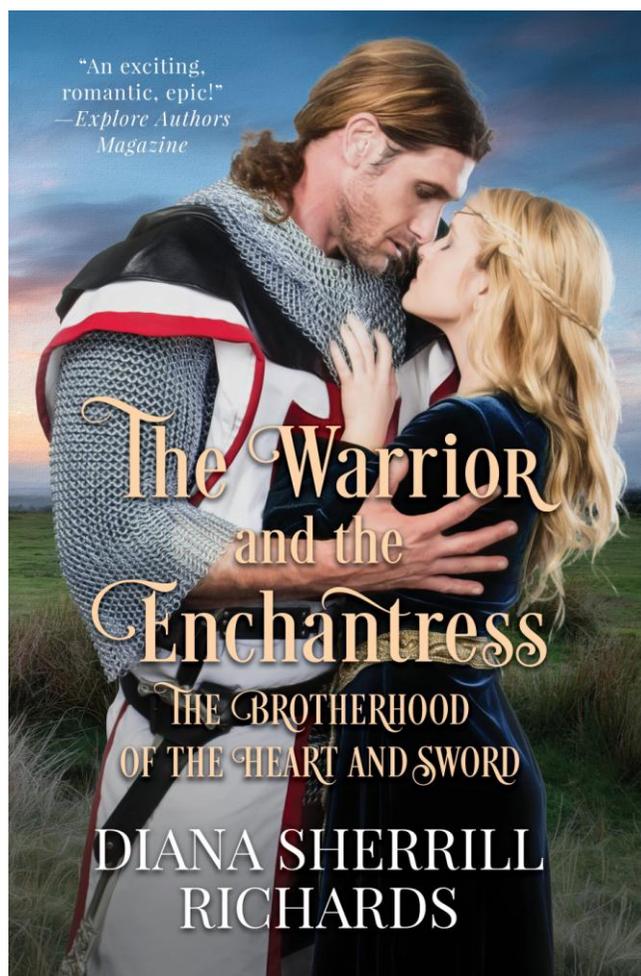

The Warrior and the Enchantress Diana Sherrill Richards

Chanity was the beloved daughter of the Chieftain and Lady of Holdenworth. She enjoyed a happy childhood until the day raiders attacked. Vorik the merciless slew her father and enslaved her mother, Serina. After Serina's death, Chanity was alone and in Vorik's care. Who would protect her from him? She had nowhere to run, and no one to run to. Chanity was older now, and did not believe in a fairytale Knight in shining armor, but perhaps she should.

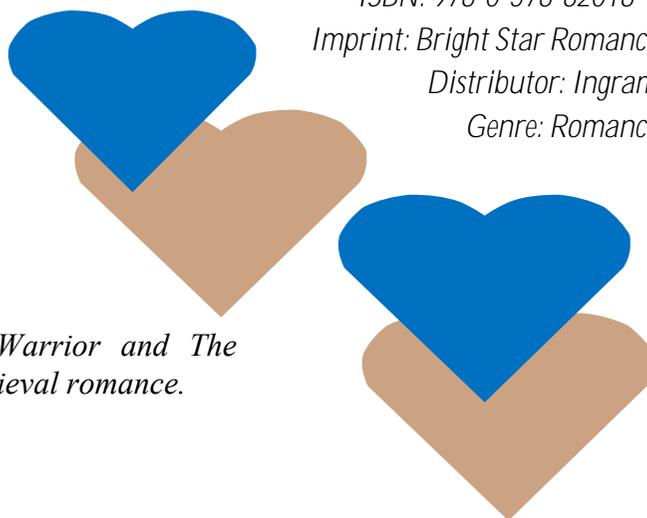

Derek was a skilled warrior, born the second son of an Earl in Normandy. At the age of ten and six years, he and his two best friends set out to join William, the Duke of Normandy. Derek proved himself on the field of battle, and was quickly Knighted. After nine years of service to William, he was given permission to raid Holdenworth, and seize it from Vorik. At long last, he could avenge his family and claim the land and title he had fought for all these years. It came as no surprise to Sir Derek that the people of Holdenworth saw his arrival as a godsend. What did come as a surprise was finding Chanity, a truly enchanting beauty. But would enchantment be enough when he wanted a true love that would last a lifetime?

A beautiful, epic, romantic adventure. The Warrior and The Enchantress is everything readers want in a medieval romance.

Confessions of an Altar Boy

A raw, fast moving, hard hitting account of a small town boy who rises to the top of the underworld. From an Altar Boy in the caverns of a small town church, to the portals of the largest casinos in the world, he endures the ravages of the mob and the loss of a love that created a mental hell, a loss that tormented him daily. Born in Campbell, Ohio, and raised in "Murder Town U.S.A.", his ascent in the mob begins as a teen. Forced to flee the area after an unsanctioned hit, he leaves his girlfriend behind for a move to Las Vegas, a move that would change his life forever. Come with me and watch the pain and glory he endures along the way, the people he loved and the people that paid the ultimate price for his success.

Maqoom

From a life of perceived innocence, a boy is nudged, to interact with characters who are vile thieves and murderers. Maqoom is that boy. Raised to always do that which is right, he comes face to face with those who always do wrong.

As Maqoom traverses from characters who seem to be evil but are really just trying to survive, to those who are evil for evil's sake, he ever increasingly, subconsciously solidifies within himself, that there is no comparison to doing good. That to do righteousness and justice throughout one's entire life, as well as to be filled with joy and gratefulness through all circumstances, is the only way to live a life worth living. Along the way, Maqoom finally accepts deep within himself, that if a person wants true peace, true righteousness and morality, then a person must make a stand against all that oppose that which is good.

Echo

Sarah Benson and Tamara Hudgenson couldn't be from more seemingly different worlds when the sophomore girls are partnered up to do a project together in a racially divided school in Cincinnati, Ohio. Their perspectives echo back and forth and they begin to realize that even though they live completely different lives and struggle is struggle, the color of your skin doesn't change what hardships you get dealt. As Sarah navigates a big decision it causes a tornado of destruction in her path ultimately resulting in devastation and tragedy in her and her friends lives, including Tamara's. No one is left unharmed and their lives forever altered.

Temple of the Mermaid

Matthew Schumann

"Temple of the Mermaid reinvents the Mermaid Mythology..."

Unlike most women her age, Joy has the ability to see auras and ghosts... when she's drunk. Her goth roommate Laura thinks Joy's skills are the best! And even though they both spend most nights flopping to sleep with a solid buzz-on, Joy finds there is one such spirit—Ethel, a little girl ghost—with whom she shares an emotional connection. The key to traveling through the ghost realm to another world passes accidentally from Ethel and into Joy's possession. Neither the Girl, the Gothie, or the Ghost knows fully the secret of moving between worlds but when Joy accidentally opens a porthole and is drawn through, each is set on a path of discovery.

Operation Arrow Fletcher

A deadly pathogen is missing from a clandestine US lab. The government is staying silent about the breach even as they assemble a task force to track it down. Worse, other nefarious groups are searching for it, too. Twenty-one-year-old Carly Fletcher holds the secret to its location. That secret however is buried deep within her consciousness. Swimming in her mind are foggy memories of violent murders and haunting flashbacks. Carly's world spirals out of control. She is admitted to Holy Oaks Psychiatric Hospital, with Situation Specific Amnesia. But do her doctors have her best interests at heart? Carly soon realizes the key to unlocking the mystery is to find Mr. Etadirhtim. Her life depends on it. Fellow resident David Farris wants to help, but first they must escape the hospital.

KNAMIE'S BOOK

A murder mystery with twists and turns that will keep readers on the edge of their seats.

James Gregory

FICTION

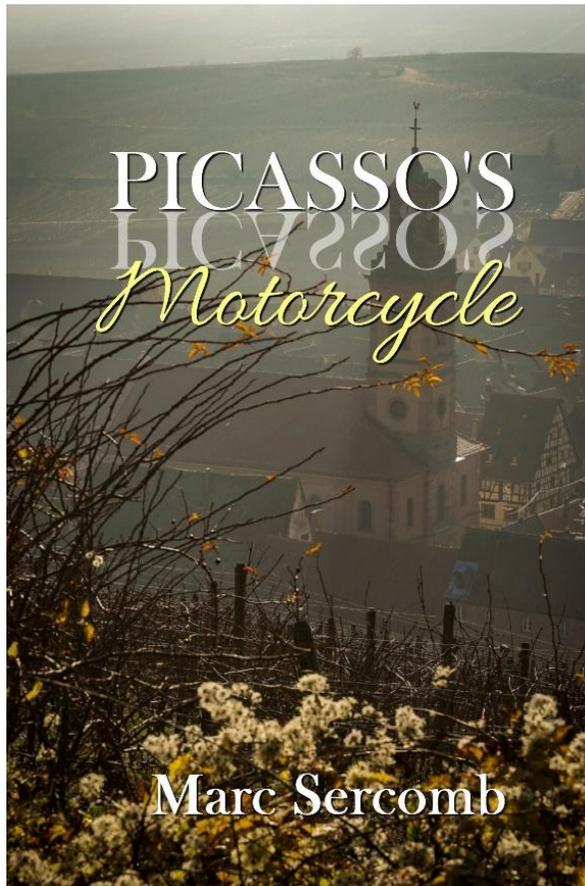

As a germaphobe with anxiety, Ryan is not interested in getting into any drama at the high school he attends. He does not want to deal with gross people. He prefers to keep his head down and mind his own business. Unfortunately for him, Lakemond High is full of drama and his best friend, Alex, is under the impression that it's a good idea to place himself in the middle of it by standing up to the bullies at their school. Through Alex, Ryan ends up meeting and befriending one of the victims of the bullying, a freshman known as Icky. The three of them become close, yet as certain events unfold, their friendship ends in pieces.

A year later, Ryan is repeating senior year at a different high school and is avoiding anything that has to do with his past to the best of his abilities. Between his girlfriend's questions and Alex's reappearance in his life, however, this is proving to be difficult to manage.

Picasso's Motorcycle

Picasso's Motorcycle is an endearing, uplifting paean to pre-war life in a sleepy, sun-drenched village in the French countryside in the 1930's. It chronicles the escapades of a precocious group of boys, centering on ten-year-old Daniel, a half-French, half-German orphan being raised by his distant and sometimes brutal uncle, Emil. Put to work in Emil's shabby bicycle repair shop, Daniel must navigate the often treacherous waters of boyhood initiations to eventually become accepted by his gleefully delinquent peers.

AN ARDUOUS JOURNEY

L. GREGORY SMITH

AN ARDUOUS JOURNEY

L. GREGORY SMITH

This is a true story of a family's adventure of finding a better life in America. In 1830s Germany, the Schmitt family lived in Hessen-Darmstadt for many decades. They had a farm on which they worked hard to make a living. The provincial government was autocratic, and overtaxed the citizens. If people did not pay their taxes or if they were late in paying, they could be put in jail and/or lose their land. The Schmitt family eventually decides to emigrate to America, land of the free. An Arduous Journey tells the story of a family's journey not only to the new world, but as settlers traveling with their wagons and cattle across a perilous landscape to their new home.

The Maple Seed Helicopter

This is fictional story based on true accounts. Upon the dawn of WWII, the unfortunate fate of many young children placed them in an Italian orphanage. These children found themselves in a depressed environment with lack of parental love or proper aliment or essential needs. Without the proper guidance or care, three young boys manage to escape the orphanage on their own. After a close encounter with death, they are miraculously taken in by an elderly couple who lived on a farm in the mountains of central Italy. The benevolent couple graciously provide the boys with a new worldly encounter, one of kindness and love. And compassionately they raise them into young adulthood. Two of the boys, George and Marco, develop a desire to travel to America. Marco finds further aspiration...to explore the world and all that it had to offer. His adventures teach him of the facts of existence and the weaknesses of humanity. And ultimately, to a place where he finds inspiration.

It's in my Genes

Kathy Gillcrist

Norma and Jack Sidebottom were thrilled to adopt cheerful, chubby little Kathy Ann. They were modest, humble, dedicated parents. But little did they know they would be raising a drama queen. Kathy's antics and their trials are just a part of the story. Later in life, courtesy of 23andMe, Kathy discovered the origin of her dramatic tendencies. She found her father on the FBI's Most Wanted List and unearthed her birthmother's lifelong secret. Not only is this an entertaining tale with a built-in murder mystery, but *It's in My Genes* explores the combined roles of nature and nurture in identity development. An addendum explaining the scientific process used to locate each birthparent is included to satisfy genealogy buffs.

If ever there was a need to understand the history of racism and its global impact, this is one of the most important books on the subject you'll ever read. A must read for academia and socio-political enthusiasts during a time of social upheaval in the United States and abroad.

The purpose of this book is to help all members of the human race gain an understanding of the pervasive epidemic of racism and how it is presently constructed on a global scale. I will review the impact and history of global racism and discuss how racism was formulated during the existing world racial order. I will identify past and present global racial inequalities; discuss the implication of global racial transformation and the resetting of global change. Finally, I will discuss ways to achieve global racial justice and sustainability.

Alpha Epsilon Pi
(Delta Chapter 1990-1991)
Weathering the Storm
Dan Glassenberg

Alpha Epsilon Pi Delta Chapter, 1990-1991 is a compelling chronicle of one year in the life of a fraternity as seen through the eyes of one of its members.

Pledge programs are administered, parties and dances are held, and the unique personalities of the members and the roles that they played in the fraternity are revealed.

The atmosphere is indeed often festive, but the responsibilities are immense as the members attempt to keep the fraternity vibrant during a transitional period in its chapter's history.

POLITICAL

The New Nation Party: A Humanitarian Fantasy provides candid discourses regarding conditions that are debilitating this wonderful nation, what is causing them, and hypothetical but achievable corrections for them by a benevolent dictatorship though not immediately or even soon.

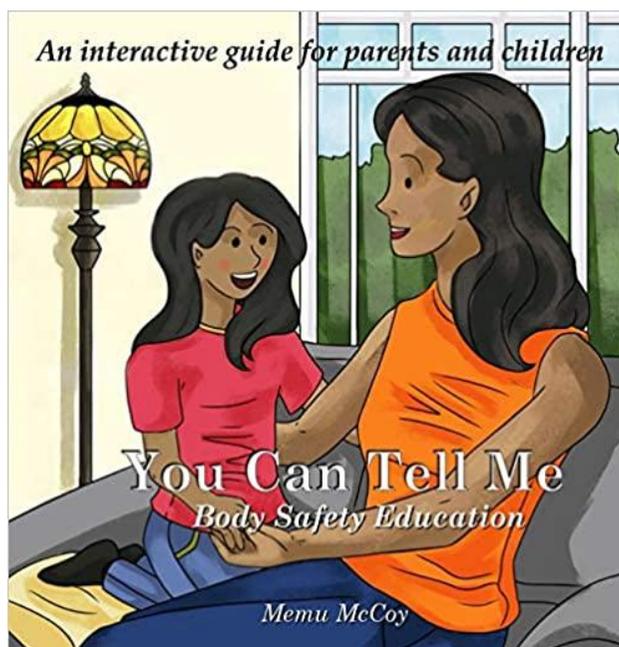

[This book] is primarily a plea for the betterment of the nation's proceedings that would benefit all of its people instead of only fractions of them.

Insightful and provocative!

CHILDREN'S BOOKS

You Can Tell Me *Body Safety Education*

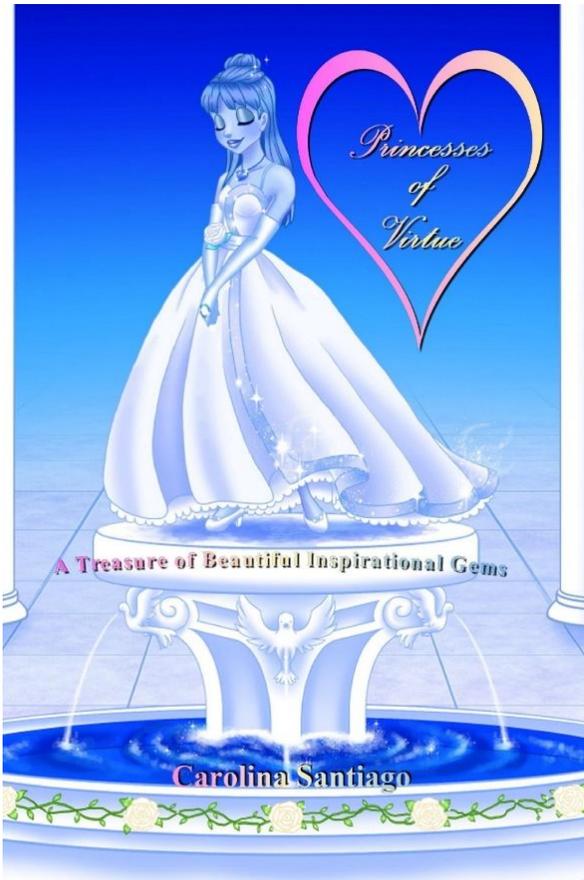

You Can Tell Me is a guide for parents establishing a foundation for their children to learn and understand how to identify and communicate about inappropriate touching or behaviors. It is critical for parents to establish a haven and a clearly identifiable communication channel that allows their children to freely express their experiences of inappropriate touching or behaviors. This book is not all inclusive of what parents must do but it is a great start. 'You Can Tell Me' is intended to be interactive so please help your child fill in the blanks when you see “_____” on a page. You will also find questions at the end of each section. These questions are intended to spark a conversation. Please pose these questions to your children and begin a very necessary conversation. (Recommended for ages 4 and up)

Princesses of Virtue

A Treasure of Beautiful Inspirational Gems

Harry, a distinguished European bio-chemical researcher with a keen hobby in photography becomes a single-parent wealthier than ever before upon the death of his wife Crystal. Wanting to make his fragile daughter's life as fantastic as possible, he voyages the world in his fancy ship along with his family and best friend. Harry finally settles in America and prepares to make sweet Claire's dream come true by celebrating her fifteenth birthday with a pomp royal-style Quince. He meets Karolina whose own daughter's modest traditional Quince is coincidentally planned-for on the same day as Claire's. He arranges to take pretty Caroline's birthday pics in his high-end studio with a morbid, secret plan to 'borrow' her to complete Claire's encore. Caroline, a dreamer and somewhat rebellious teenager, is going along with the 'girlish' party just to please her mother. At the studio, she meets princess Claire - in her death bed! Suddenly finding herself amidst a mystery thriller of possible abduction and homicide. Did Harry or his weird friend cause Claire's death? And who are all the radiant girls dressed like princesses and locked-up in glass chambers discovered by her puppy-dog Shadow? Her 'boring' Quince turns into the most magic and noble experience of her young life!

CHILDREN'S BOOKS

Buttercup Makes a New Friend

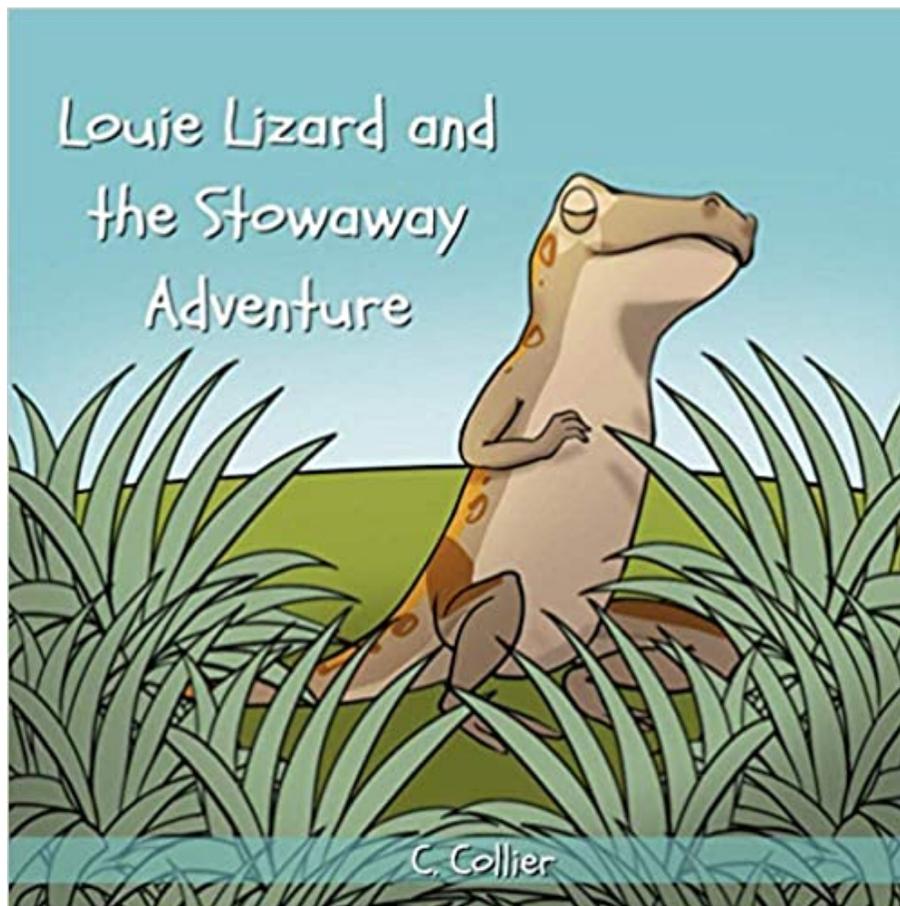

VM. Walls

Adrienne has autism and is on the spectrum of PDD (Pervasive Developmental Delay). Because of her autism, Adrienne has a difficult time communicating with others. When she was tiny, it was even harder to talk and make new friends. In the first Buttercup Adventure book, *Buttercup Makes a New Friend* illustrates some of the challenges Adrienne has faced being the only child at home and not having friends to call her own. This book will help children understand and learn how to play with autistic children, with friendship and kindness.
